

G.U.I.D.E. MISSION CODE NAME: RED TIDE.

LOCATION: NAPLES, ITALY.

MISSION COMMANDER: MICHAEL WILSON

IS HE READY?

KEN'S BLOOD IS THE ONLY
THING THAT CAN SAVE US.

HE HAS TO BE.

THEN WE'D BETTER HOPE WHATEVER
HE FACES DOWN THERE DOESN'T RIP
IT ALL OUT OF HIM.

WE'RE NEARLY THERE.

ABOUT TIME WE SAW
SOME ACTION!

MILLIONS OF LIVES HANG IN
THE BALANCE IF YOU FAIL TO
CONTAIN THIS OUTBREAK!

THIS IS NO GAME, KEN! YOUR LIFE IS NOT
THE ONLY ONE AT STAKE HERE!

IT IS TIME YOU
LEARNED THE
PURPOSE OF
YOUR TRAINING.

IN THE YEAR 2010, A SMALL VILLAGE WAS OVERRUN BY A PACK OF UNIDENTIFIED WILD ANIMALS.

SURVIVORS WERE BROUGHT TO A MEDICAL RESEARCH FACILITY NEARBY.

RESEARCHERS DISCOVERED AN UNCLASSIFIED SPECIES OF HOOKWORMS WITHIN THE VICTIMS' WOUNDS.

THEY NAMED THE PARASITES "ALPHA-WORMS."

THE INFECTED SOON BECAME VIOLENT, BLOODTHIRSTY AND TERRIBLY STRONG.

FACED WITH THE THREAT OF A RAPIDLY SPREADING EPIDEMIC, THE MILITARY HAD NO OPTION BUT TO STERILIZE THE SITE.

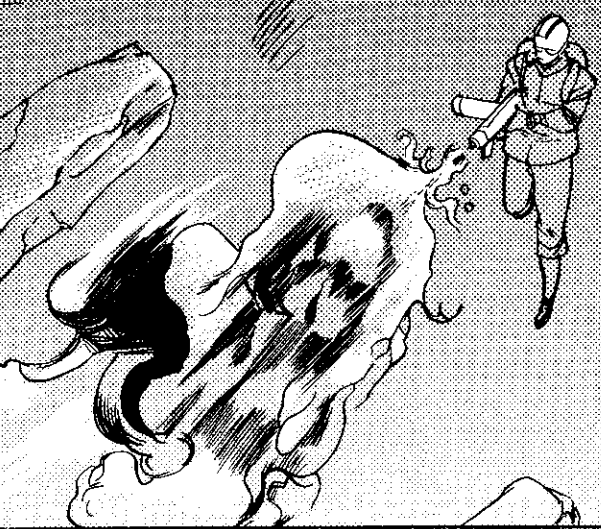

THERE WERE NO SURVIVORS.

BY THE END OF THE WEEK, THEY HAD OVERRUN THE FACILITY. THOSE WHO WERE NOT DEVOURED JOINED THE RANKS OF THE INFECTED.

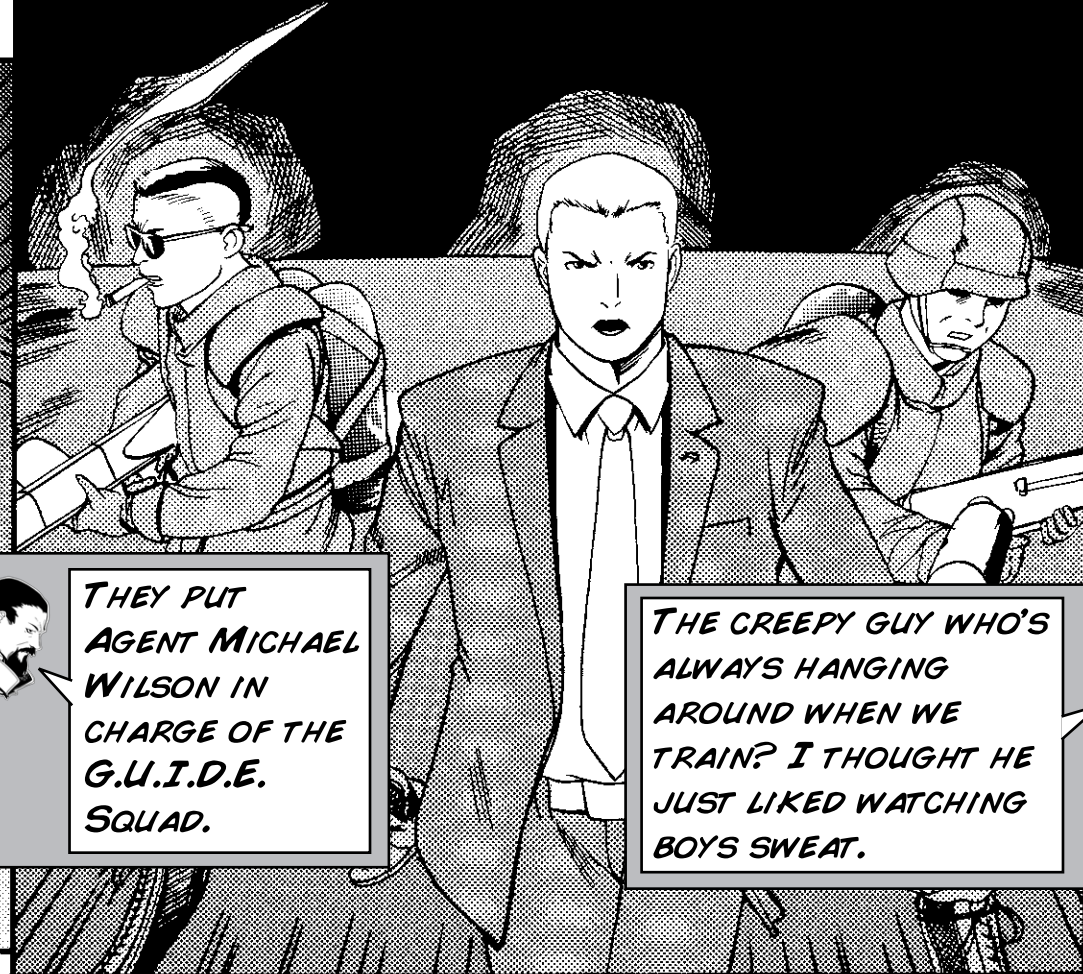

THE ALPHA-WORM OUTBREAK WAS KEPT HIGHLY CLASSIFIED TO PREVENT A WIDESPREAD PANIC.

WORLD LEADERS SECRETLY FORMED A SPECIAL TASK FORCE. THE GLOBAL UNITED INFESTATION DETECTION AND ELIMINATION SQUAD.

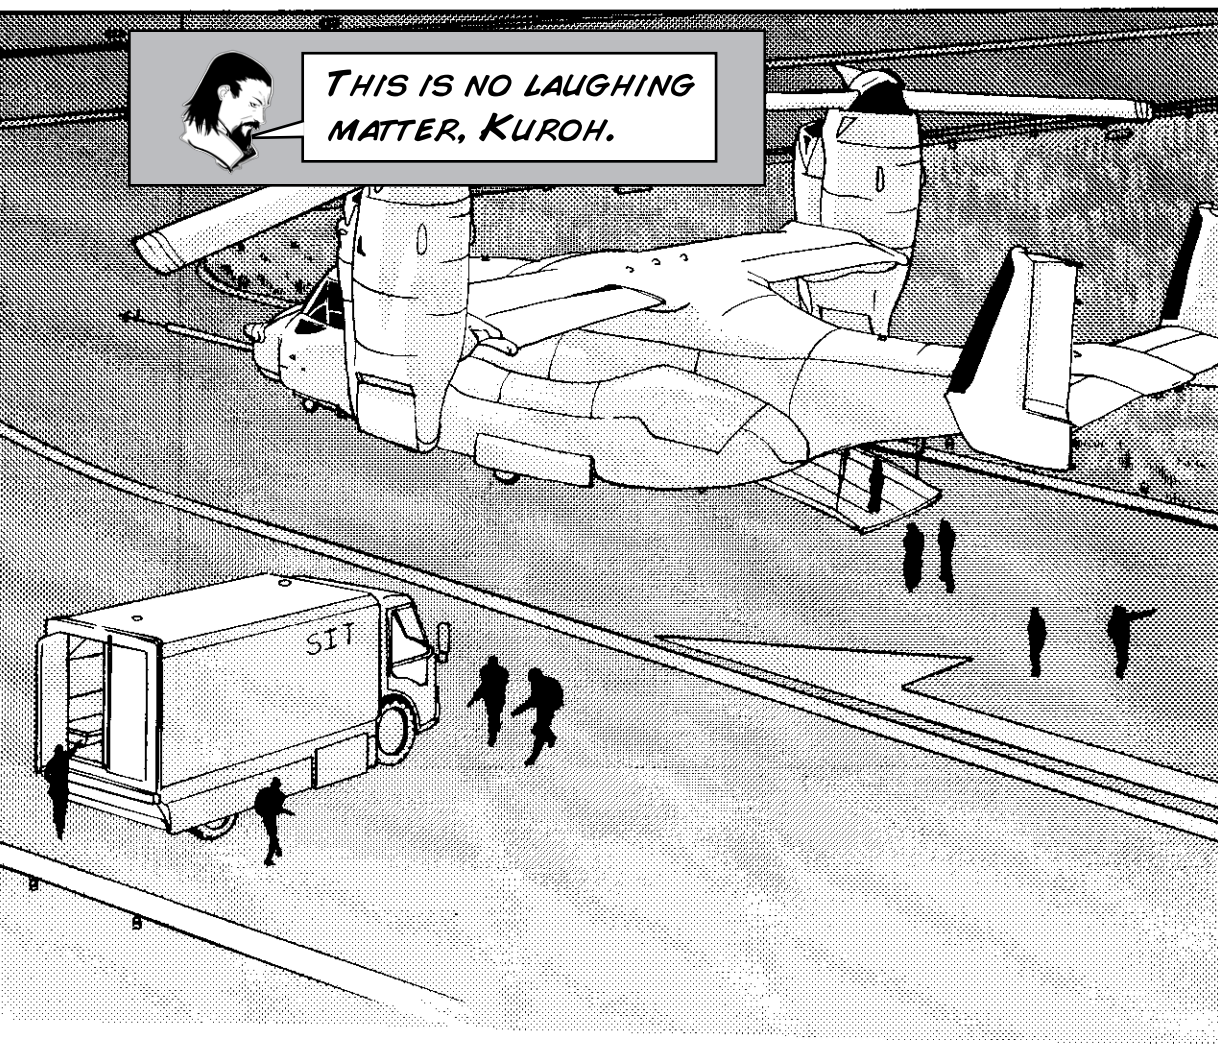

THEY PUT AGENT MICHAEL WILSON IN CHARGE OF THE G.U.I.D.E. SQUAD.

THE CREEPY GUY WHO'S ALWAYS HANGING AROUND WHEN WE TRAIN? I THOUGHT HE JUST LIKED WATCHING BOYS SWEAT.

THIS IS NO LAUGHING MATTER, KUROH.

THE ALPHA-WORMS TURNED OUT TO BE MORE RESILIENT THAN ANYONE IMAGINED.
